# “Save Corporation Tax and Make Money”

Pacific IFA Ltd, a leading firm of independent financial advisors, has recently relocated their headquarters to Chelmsford. In view of the current economic climate, we are continually being asked about the best ways to save Corporation Tax, how Company Pension schemes can be creatively used to purchase commercial property, and about the best ways to make money and defer tax with On and Offshore investments. So to help local accountants, bookkeepers and tax advisors to advise their clients on these and other important questions we would like to invite you to a short breakfast or lunchtime briefing under the theme of saving tax and making money. A Continuous Professional Development (CPD) certificate will be issued to all attendee's.

At The Waterfront Place, Wharf Road, Chelmsford, CM2 6LU on

**Tuesday June 30th 2009**

**8.45am – Breakfast & Refreshments    9.00am to 10.00am - Breakfast Briefing**  
**12.45pm – Lunch & Refreshments    1.00pm to 2.00pm – Lunch Briefing**

After an introductory welcome from Stephen Davis one of Pacific IFA Ltd's Directors, Brian Murphy, Tax Expert and author of the 'Life Assurance and Pensions Guide' will discuss and comment on the following key business topics:

*Corporation & IHT Mitigation - Creative Pension Planning (use of SIPP's )*  
*Remuneration Strategies - Salary v Dividends - Company Borrowing*  
*Exit Strategies - Personal Investments - Use of Trusts*

Registration is limited to only 25 places per session, so please confirm your booking ASAP by email, phone or fax. The standard registration fee of £95 will be covered in full by Pacific IFA Ltd.
