

## **Open day for Local Start-up Companies** **Tuesday August 25<sup>th</sup> 2009, 9.00am – 6.00pm**

Pacific IFA are hosting an event for local business people who may be just starting up or relocating into the area. Just come along and speak directly with a number of experts on a wide range of areas that may benefit your business.

In the past 12 months we have seen an unprecedented collapse in the UK's banking sector which has brought many challenges to the UK economy. It has resulted in rising unemployment, a decrease in consumer confidence and spending, as well as a lack of financial liquidity for businesses. That's why Pacific IFA are pulling resources together giving you the opportunity to discuss your individual business needs in total confidence, without any obligation and completely free of charge.

On Tuesday August 25th 2009 you will be able to visit our offices and chat with an:-

<b>Accountant</b>	<b>Car Leasing Specialist</b>
<b>Solicitor</b>	<b>Public Liability Insurance Specialist</b>
<b>Medical Health Care Company</b>	<b>Business Development Coach</b>
<b>Will writer</b>	<b>Commercial Property Advisor</b>
<b>Corporation Tax Planner</b>	<b>Pension Specialist</b>

Of course you will also have access to our complete team of independent financial advisers who will be happy to assist with any of your financial planning needs. Whether it's business or partnership protection that's important to you, or any other area of business or personal financial planning, our advisers will be available throughout the day.

We are expecting a huge response to this open day, so if you would like to book a 15 minute slot in advance with any of the companies represented just give us a call on **(01245) 403500** or send an email to **info@pacificifagroup.com** and we will happily book you an appointment.

We look forward to seeing you. If you have any questions relating to this event, please contact me on the number shown above.

Kind regards,

Andrew Garrido, Events Manager
