Vineyard Tour and Wine Tasting

Wednesday July 1st 2009 at 7.30pm
compliments of Pacific IFA Ltd

Pacific IFA Ltd, a leading firm of independent financial advisors has recently relocated their headquarters to East Hanningfield in Chelmsford. As a way of introducing our company to the local community we would like to invite you to tour the magnificent New Hall Vineyards in Purleigh near Maldon, as our guests. (www.newhallwines.co.uk)

This 67 hectare English Vineyard is one of the oldest and largest English Wine Producers in the Country and was first established in Essex by the Greenwood family in the village of Purleigh in 1969. Learn the history of English Vineyards and take a short walk amongst the vines along the Vineyard Trail and then tour the Winery, Bottling Area, The Press House and Fermentation Room. To conclude you can then taste the wines with some cheese and biscuits, a perfect end to a summers evening.

If you would like to be our guest for the evening, please call or email us with your details. Places are limited so please make your booking, of up to four people per company or household, as soon as possible.

Call (01245) 403500 to confirm your booking
Alternatively you can email your details to:
andrewgarrido@pacificifagroup.com
